

AITP AND SCMA PRESENTS “AN OPPORTUNITY TO SEE AND LEARN THE INNER WORKINGS OF THE AIRPORT”

DATE: THIS Friday 13 OCTOBER 2017

WHAT YOU WILL LEARN:

Participants will learn from San Diego Airport Authority Executive about current and upcoming projects regarding IT, Operations, and Sustainability efforts being undertaken by the SDAA.

In addition, participants will be given a special bus tour on the “TARMAC” and the opportunity to see all of the SDAA operations ‘live’. This will be a great opportunity to learn all about how the airport works and is integrated in the San Diego Community. Only a number of slots are available so sign up fast.

RSVP: BY WEDNESDAY 11 OCT 2017 to Carl Rebman (carlr@sandiego.edu) and include your birthday (airport security requirement). We look forward to seeing you there!

TIME: 830 AM for Executive Briefing and 10 AM for the tarmac tour. Event will end at 12 NOON.

WHERE: 3rd Floor Executive Offices of the San Diego Airport Authority

The Commuter Terminal, 3225 N. Harbor Dr., parking is in front of building (see blue arrow).
