***ITEMS THAT HAPPENED IN THE SEMESTER INDIVIDUALLY, WITH FRIENDS, GROUPS, LOCALLY, NATIONALLY***

I got to go to Disneyland during the Christmas season for the first time and see how different the decorations are.

So much fun!

# ITEMS THAT DID NOT HAPPEN THAT YOU WANTED, EXPECTED

Originally, my dad was supposed to come with the rest of my family to family weekend, but he didn't end up getting to come because he was called to go to New York at the last minute for work. But instead, my grandma got to visit San Diego for the first time!

# *ITEMS THAT YOU EXPERIENCED THAT HAVE TOUCHED YOUR LIFE THIS SEMESTER IN A POSITIVE WAY*

I got the best opportunity and joined the cheer team unexpectedly, and met so many good friends through it

***ITEMS THAT YOU EXPERIENCED THAT WERE SAD OR NEGATIVE THAT YOU WISH NOT TO BE EXPERIENCED AGAIN***

Having to say goodbye to my friends  
and family for the first time ever was  
hard,  
but I'm excited to get to see them  
all so soon!!

*ITEMS THAT WERE HIGHLIGHTED BY NEWS, MEDIA ADVERTISEMENTS/MESSAGES,  
GOVERNMENT, OTHER COUNTRIES, OTHER SOURCES*

I would say that the presidential election was probably the most highlighted event

I was exposed to this year, likely similar to many other people.

***ITEMS THAT ILLUSTRATE  
CHANGES TO  
PROCESSES,  
LAWS/RESTRICTIONS  
-PLANT BASED FOOD***

AS SOMEONE WHO LOVES PLANT BASED FOOD AND THINGS THAT TASTE LIKE MEAT WITHOUT BEING MEAT LIKE SOYRIZO, CHIKPATTIES, IMPOSSIBLE BURGERS ETC. THIS IS SOMETHING I'M SO HAPPY HAS BECOME SO MUCH MORE COMMON AND ACCESSABLE WHEN EATING.

## ***ITEMS THAT ILLUSTRATES PEOPLE'S CREATIVITY TO ASSIST OTHERS***

Something related to this that I personally experienced was getting the chance to Cricket crewnecks for our family friends to wear on their upcoming vacation, and it was super rewarding and fun.

This semester was amazing, adventurous, and quick paced, which is perfect for me because I love to live life on the go, so I hope that my following semesters to come go similarly!
